

Welcome!

We are pleased that you have chosen Legacy Christian School to provide the needs for your child. I am so delighted that you are part of our amazing learning community. We welcome and value your positive energy and dedication, and we look forward to working with you and your children. We realize that we will have your children during the most formative years of their life. During that time, our goals are to base everything we do on the Bible and to nurture your children as they grow spiritually, academically, physically, emotionally, and socially.

This Parent Handbook has been written to describe our program, philosophy, policies, and all the practical details that go into making each day as happy and successful as possible.

Please carefully read this handbook and keep it for future reference. The staff at Legacy Christian School would be glad to address any of your questions or concerns. Once again, welcome!

Our Mission

The mission of Promised Land's Legacy Christian School is to spiritually and academically equip, challenge, and inspire our students to impact the world for Christ.

Our Philosophy

We believe that faith in Christ must be applied to all areas of life, and that God's Word has the answers to individual and world problems. Our academic programs are designed to challenge and inspire our students to develop their God-given gifts and talents as they develop into the young men and women God has designed them to be.

Communication

Proper communication between our parents and the teachers and staff of Legacy Christian School is extremely important. Teachers will be sending home information on a regular basis. Infant and toddler parents will receive daily reports. You are welcome to call to arrange a meeting with your child's teacher-even just to become better acquainted!

Teachers cannot handle any complaints or grievances; they should be discussed with the Director and handled using the Complaint Procedure. The Director always welcomes any suggestions, which are

presented in a positive manner. Please remember that we cannot handle a situation or make a change if we are not aware that there is a problem.

We want you to feel that our staff is always open to your concerns and feelings. By working together in a responsible manner, your child's experience here will be a happy and loving one.

Each child is provided with a cubby and folder. Please check these daily for notes, newsletters and daily reports.

Facility Update

COVID-19

Apostle Tommy E. Quick and the faculty and staff of The Promised Land's Legacy Christian School take the precautions of COVID-19/Coronavirus seriously. Our prayers are with you and your family for any disruptions you have had at home, work, or in your community.

The coronavirus is different from the flu, cold and seasonal allergies. The coronavirus attacks the lungs, it comes with symptoms of fever, shortness of breath, productive cough and chest symptoms. This virus can be contacted via touch and breathing in particles. Please teach your children to refrain from touching their face and multiple surfaces while out in the general public. It could take 48 to 2 weeks before someone is symptomatic.

We encourage you to continue to take the following precautions:

- Wash hands frequently with soap and water for 20 seconds. Be sure to wash fingers and nails.
- Take your child's temperature at least twice a day. If you or your child has a fever of 100.4 or higher, please do not bring your child to school.
- Encourage your children to take their vitamins.
- No hugging or holding hands.
- If you or your child is experiencing symptoms of a virus, please stay home. If you have been exposed to or have the virus, please stay home for two weeks and seek medical attention when needed.
- We ask that parents wear mask when making essential runs.
- Rinse with either an antiseptic mouthwash or warm salt water. Brush and floss regularly.
- The virus lives on metals and plastics for several days. Keep doorknobs, light switches, faucets, sinks, fridge handles, microwave handles and counter tops, cellphones, steering wheel, and door handles clean and disinfected. Leave the disinfectant on long enough to disinfect the surfaces. Read labels, make sure it's an antibacterial or disinfectant cleaner.
- Eat well balanced meals. Incorporate more zinc and Vitamin C into diet in order to boost immune system.
- If part of your family works outside of the home take special precautions. When you come home, leave shoes outside or at the door. GO straight to bathe. Bag your clothes separately to wash.

Administration of Medication

*The administration of any medication will require a written permission slip signed by the legal parent or guardian.

*Prescription drugs and other medications required by the child must be in the original container and properly labeled with the child's name and dosage schedule. (See Director for form when necessary).

*Only the Director will administer medication or special medical procedures.

*Non-prescription medication may be administered to a child if the dosage is specified in writing by the parent (includes Motrin or Tylenol).

*First-Aid supplies shall be available for the treatment of minor cuts and abrasions.

*Medicines requiring refrigeration will be kept in the refrigerator in the kitchen, and must be picked up by the parents.

*Non-perishable medications will also be stored in the locked file cabinet in the Director's office.

*Parents **must not** put medicine in a child's bottle, food, or book bag.

Immunizations

A copy of your child's immunization records must be provided upon enrollment and thereafter updated annually. When your child is due for immunizations, you have 30 days from the due date to submit an updated Certificate of Immunization. Failure to submit this form will result in your child being dismissed from the program.

Potty Training

Please inform the staff when you are "potty training" your child so we can work together. Be certain to always provide extra clothing for the unexpected!

Rest Time

Children will have nap/quiet time from one to one and a half hours each day. Durable, DHEC approved vinyl, mats must be provided for the children. If the mat begins to rip you will need to provide another one for them. Their blankets will be sent home each Friday for you to wash and send back to school on Monday. 5K will participate in quiet activities during this time.

Birthday Celebrations

Advance notice is requested when you would like for your child to celebrate their birthday with friends. **State regulations allow the program to only serve pre-packaged food brought from a store or bakery.**

Nutrition:

Good nutrition is vital to children's overall development and well-being. In an effort to provide the best possible nutrition for the children in our facility, Legacy Christian School has developed the following child care nutrition policies to encourage the development of good eating habits that will last a life time.

Legacy Christian School follows the child care nutrition guidelines recommended by the USDA CACFP (Child and Adult Care Food Program) for two meals and one snack per day. We do not serve sugar sweetened beverages, and we serve 1% milk to children over the age of two.

Screening

The ASQ-3 (Ages and Stages questionnaire) is one form of screening we use at Legacy. This questionnaire is for ages 1 month to 5 ½ years. It will help you to look at how your child is doing in important areas, such as communication, physical ability, social skills, and problem solving skills. ASQ-3 can help you to identify your child's strengths as well as any areas where your child may need support. If the results of the screening show a concern, we have the option of referring the child to Baby Net (ages birth to 3) or Child Find (3 years and older).

We allow licensed therapist to work with children in the classroom. The teacher will continue the therapist's recommendations.

Complaint Procedure:

Even in the best-run Christian School there will be problems that lead to complaints against the staff and teachers. It is important that these be handled politely and promptly.

The following steps are based upon the Biblical principle set forth in Matthew 18. In these scriptures, the Lord Jesus Himself gives us the model for resolving conflict and outlines for us the process by which we should seek peace and resolution with one another.

Parents, staff members and even the students are asked to submit to this procedure. We encourage the ones that received an offense to address the offending party in order to give that person the opportunity to clarify the problem and, if necessary, to seek forgiveness.

In situations where there may be a difference of opinion between two people, the attitude should be one of submitting to one another in love. In cases that are not resolved on a one-to-one basis, the Director may seek a resolution as the third party, on behalf of the offended party.

In all cases, we strongly encourage the handling of problems in a professional charitable manner only with the one that has caused the offense. The temptation to talk with others about the problem is great, but it is not God's way.
